Introduction to the Clinical Advisory Service & MRES

ACC Managed Rehabilitation Equipment Services

10 Feb 2026

Presented by:
Clinical Service Advisors, Enable NZ
Dana Walsh
Christa Roessler

Karakia timatanga

Kia hora te marino

Kia whakapapa pounamu te moana

Hei huarahi mā tatou i te rangi nei

Aroha atu, aroha mai

Tātou i a tatou katoa

Hui e, Tāiki e!

May peace be widespread

May the sea be like greenstone

A pathway for us all this day

Let us show respect for each other

For one another

Bind us all together!

Introduction & Objectives

Meet the MRES Clinical Advisory Services team

Learn how we can help you

Explore available resources

Review how to select and order equipment

Meet the MRES Clinical Services Advisors

MRES Wheelchair & Seating orders: Report Writing

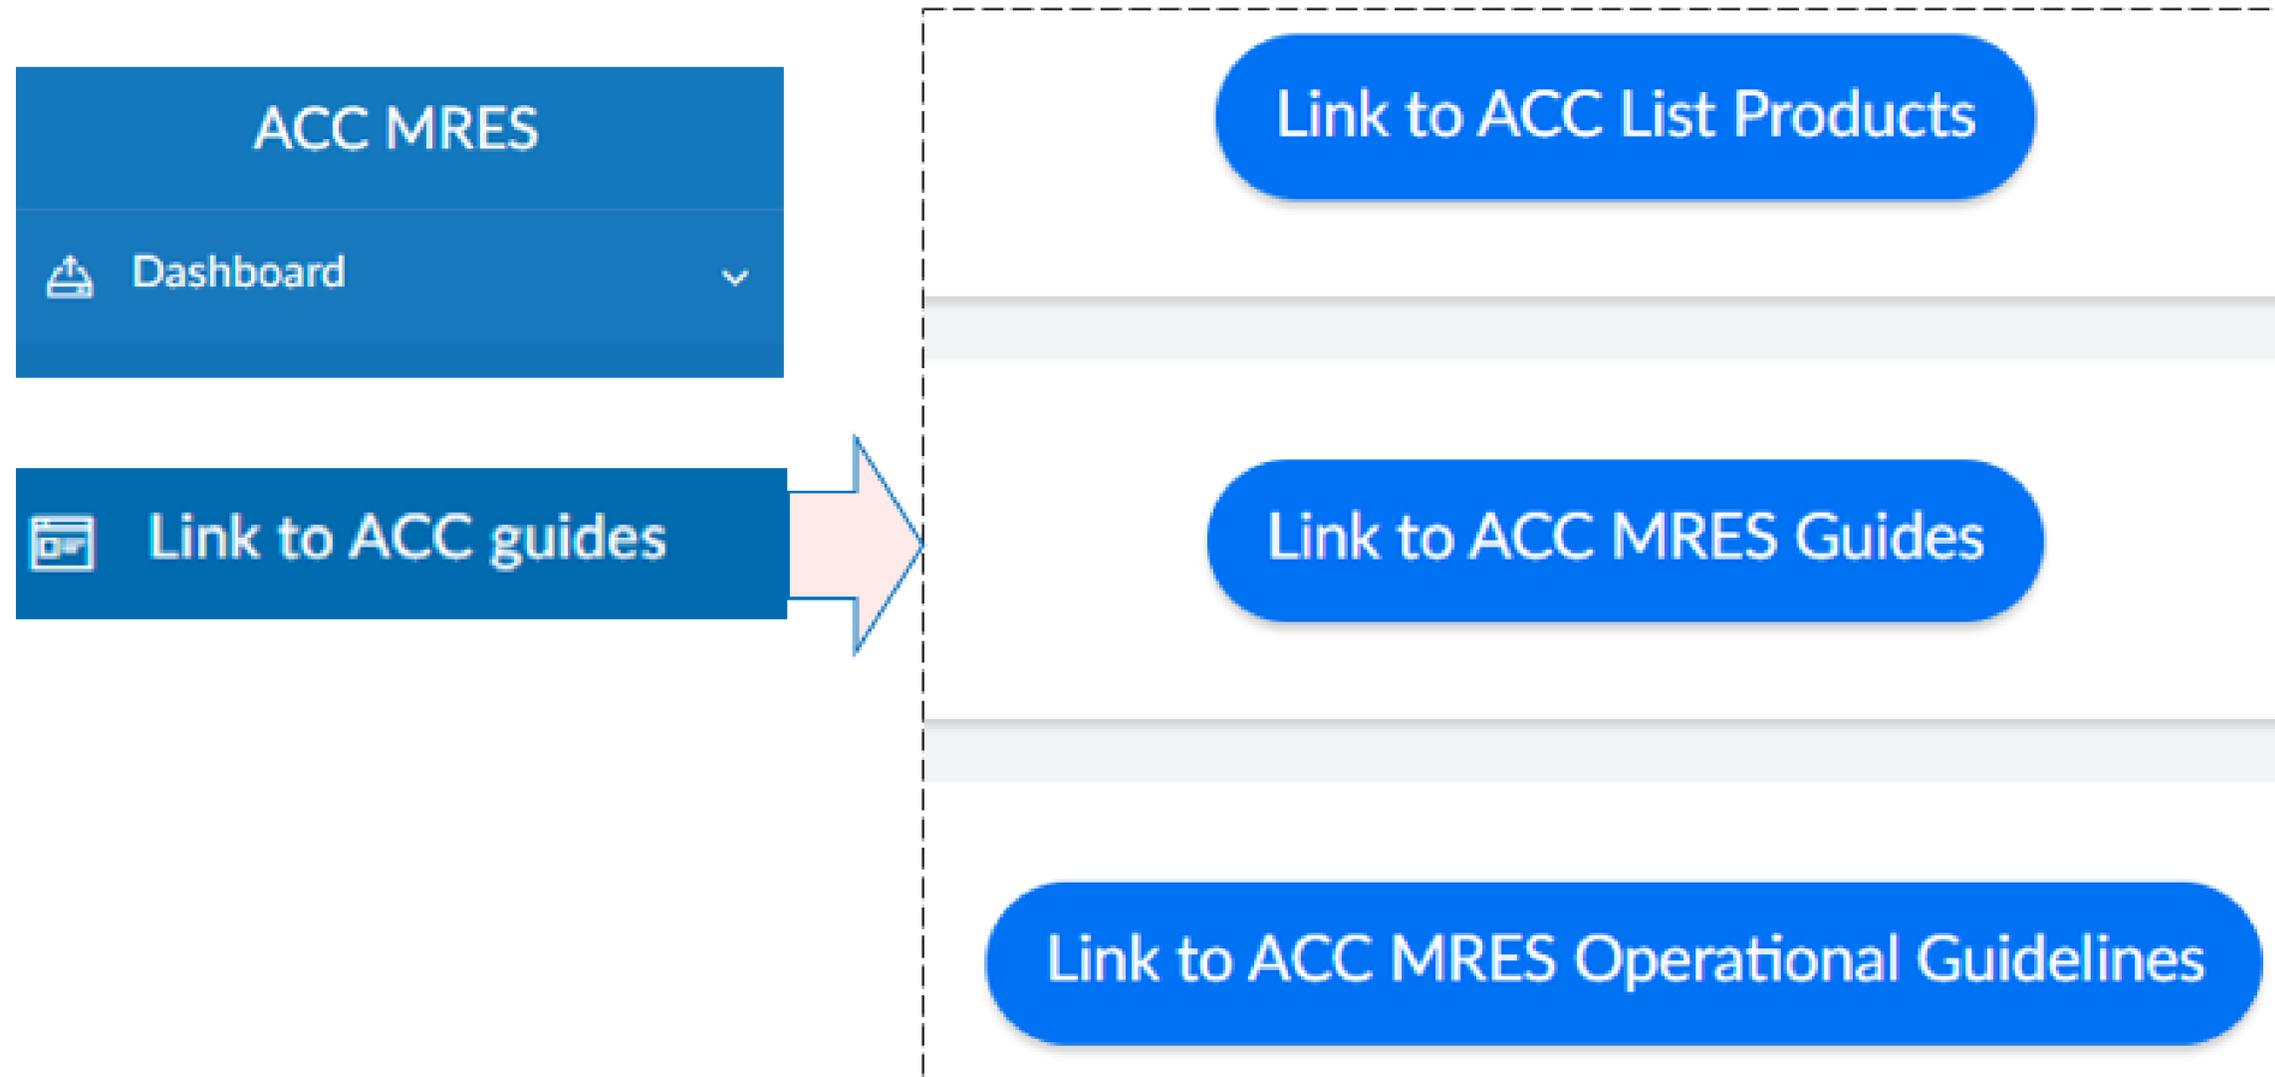

An overview of the documentation required for MRES Wheelchair & Seating orders: Report Writing and using the Enable ACC Wheelchair Specification Forms.

Join the ACC MRES Clinical Services Advisors for an informative session on the updated ACC Manual and Power Wheelchair Specification forms. We will discuss practical tips and examples for completing the ACC7432 Wheelchair & Seating Assessment Report, and learn how integrating these tools into your workflow supports best clinical practice and enhances the quality of your assessments.

We'd love to hear what you think of the *Overview of Documentation required for an MRES Wheelchair & Seating order*. [Leave your review here](#)
